

# Chinese New Year Mask

## How to Make the Lion Mask:

### You need:

scissors, coloured card, a glue stick, sticky tape, a straw or wooden stirring stick, ribbon, wool or tissue paper

1. Colour the 3 pieces for the lion mask with Noris pens or pencils.
2. Cut out the pieces then stick them onto thin coloured card using a glue stick.
3. Cut around the edge of each piece. Ask an adult to help cut out the eye-holes.
4. Tape the mouth section to the back of the mask with the tongue inside.
5. Tape a straw or wooden stirring stick to the back of the mask.
6. Add some ribbon or wool or strips of tissue paper around the edge of the mask for the lion's mane.
